**Delton, Baraboo, Reedsburg and, later, Kilbourn firefighters battled a blaze at the Lighthouse Cove condominiums Thursday afternoon for several hours.**

**On Friday, Delton Fire Deputy Chief Mike Pepper said the damage was too extensive for investigators to determine a cause, but it appeared accidental.**

**He said they predicted the fire could have been burning internally for a maximum of three hours before it was noticed and 911 was called.**

**See page A14 for more photos.**
